2009 PS101 MEDIA CENTER 2010

Welcome to the *PS101 Media Center!*

During the school year, students will be introduced to proper handling of school computer equipment as well as general computer basics. We will work on proper keyboarding techniques, get to know Microsoft Office (Word, Publisher, PowerPoint, Excel), have fun on the internet, and we will utilize internet-based programs for online testing. Grades 4-6 will also be using Renzulli Learning for enrichment activities.

WHAT IS A "COMPUTER MOUSE"?

A mouse is a pointing device found on a computer that allows a user to perform various tasks by clicking and dragging information or data. The mouse was invented by Douglas Englebart in 1963.

Programs We're Using In Microsoft Office This Year:

Microsoft Word.....Microsoft PowerPoint.....Microsoft Publisher.....Microsoft Excel.
