

Stellaluna: Story Order

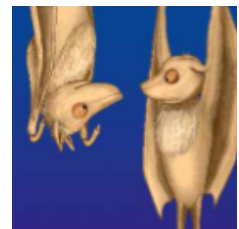

Put the events of the story in the correct order

Stellaluna saved Pip, Flitter, and Flap.

Stellaluna learned to fly.

Stellaluna learned to be like the birds.

Stellaluna learned to fly at night and eat fruit; not bugs.

Stellaluna was reunited with her mother.

Stellaluna met another bat who told her that she was a bat, and not a bird.

Stellaluna landed headfirst in a soft downy nest.

An owl struck Stellaluna again and again, knocking into the air.
