### ABOUT THE TUMBLEBOOK LIBRARY:

TumbleBookLibrary is an online collection of TumbleBooks – animated, talking picture books which teach kids the joy of reading in a format they'll love.

The TumbleBookLibrary provides **enrichment to students who are reading independently** with a variety of high interest material. It also provides **support to students who require skill building** with a variety of exercises that can be matched with other areas of the curriculum. In general, TumbleBooks are a great addition to a reading program that can be worked on independently by each student or by the whole class.
