## 2009 PS101 MEDIA CENTER 2010

Welcome to the *PS101 Media Center!*

During the month of *December*, students in grade 3 will work on saving files to their flash drives and adding clip art to Microsoft Word files. Grades 4-6 will use a web-based, skill-based program (Study Island) to practice their math and reading skills. They will also work on their second nonfiction project where they will create a nonfiction sharing chart based on a nonfiction book of their choice.

### DID YOU KNOW?

The invention of the modern computer keyboard began with the invention of the typewriter. Christopher Latham Sholes patented the typewriter that we commonly use today in 1868. The Remington Company mass marketed the first typewriters starting in 1877.
