2009 PS101 MEDIA CENTER 2010

Welcome back to the *PS101 Media Center!*

During the month of *October*, grades 2 & 3 will continue to work on general computer basics (desktop, mouse, keyboard, icons). Grades 3-6 will continue to work on proper key boarding techniques and also be tested in ELA using Scantron Performance Series. Teachers can then use the information from the tests for differentiated instruction.

WHAT ARE THE HOME-ROW KEYS?

The Home-Row keys of the keyboard are the most important for someone who wants to type a document. They are A, S, D, F and J, K, L, ;. **TIP: Using the raised bumps on the F and J keys as a guide, see if you can put your fingers on the home row correctly, *without looking at the keyboard. No peeking!!***
